**IN THE UNITED STATES PATENT
AND TRADEMARK OFFICE**

-- PATENT --

Applicant: Jeffrey C. Brown

Patent No. 6,163,256

Serial No.: 10/323,473

Issued: December 19, 2000

Title: **BRAKE LIGHT APPARATUS**

**STATEMENT TO ACCOMPANY PETITION TO ACCEPT AN UNINTENTIONALLY
DELAYED PAYMENT OF A MAINTENANCE FEE PURSUANT TO 37 C.F.R. §1.378(c)**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

Applicant hereby petitions the Commissioner to accept an unintentionally delayed payment of a maintenance fee for the reasons set forth below.

U.S. Patent No. 6,163,256 ('256 Patent), which is the subject of this petition, was filed on September 20, 1999, and later issued on December 19, 2000. The patent remains in the name of the Applicant, Jeffrey Brown. At the time this patent issued, Mr. H. Gordon Shields was Mr. Brown's legal counsel and was responsible for maintaining the patent.

In late 2002, Mr. Brown retained the undersigned, David O. Caplan, for the limited purposes of filing a reissue patent application. The reissue patent application was filed on December 18, 2002 and assigned the serial number of 10/323,473. At the time of the filing of the reissue patent application, the '256 Patent, was active. It was understood that Mr. Shields was responsible for maintenance of the '256 Patent.

In late July, the undersigned received a call from Examiner Julie Lieu of the U.S. Patent and Trademark Office. Examiner Lieu is the examiner for the reissue patent application and Examiner Lieu was inquiring as to payment of the 3.5 year maintenance fee. This was the first indication received by Applicant or Applicant's counsel, David Caplan, that the 3.5 year maintenance fee for the '256 Patent had not been paid. After investigation of this matter, it was determined that Mr. Shields had passed away and responsibility for payment of the maintenance fee had not been transferred. Although a standard business procedure was in place for payment of the maintenance fee, the 3.5 year maintenance fee was unintentionally not paid due to the passing away of Mr. Shields.

Thus, the entire delay in paying the 3.5 year maintenance fee from the due date for the fee until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional. Accordingly, Applicant hereby promptly petitions the United States Patent and Trademark Office to accept the unintentionally delayed payment of the 3.5 year maintenance fee for U.S. Patent No. 6,163,256 which is enclosed along with the surcharge required by §1.20(i) and to reinstate U.S. Patent No. 6,163,256.

Respectfully submitted,

Dated: August 26, 2005

By: David O. Caplan
